*Please note: In planning music for the funeral, the music is intimately tied with the readings and focused upon the Resurrection of Jesus Christ and our hope in the bodily resurrection. Music must reflect these beliefs. It should also be familiar to family and friends. Song suggestions can be found on the attached sheets from the Gather Comprehensive hymnals. As Catholics we use live music, and do not allow recorded music during the funeral Mass. If you have further questions, please contact Julie Ludwig at (320) 685-3280, ext. 603.*
