FYI's

If you would like us to return the book from the public library, please send it back otherwise feel free to return it on your own time.

Next week in the white envelope there will be the final sight word list. Please take advantage of this by hanging it someplace that it can be easily used throughout the summer. It is a great way to keep your child on track.

Be looking for special projects in your child's backpack that are getting finished as the days of kindergarten come to an end. These are projects that your child has been working on since September so they are near and dear to our hearts!
